Regarding: SmartPoll Voting Booths
Purchased from Naztec International Group LLC

To Whom It May Concern:

I am writing this testimonial letter out of appreciation for the great service and product, with my recent purchase of 10 SmartPoll Voting Booths from Naztec International Group LLC for Platte County Elections.

I am the County Election Commissioner for Platte County, Nebraska. Like most other county officials, I have a budget to abide by. I do shop around for the best deal I can find for county purchases. I, of course, consider the quality of the product in this search.

I am trying to replace all of my old metal voting booths with the newer, portable, lighter SmartPoll Voting Booth style booths. I found the Naztec SmartPoll Booths on the internet in a Google Search. I had, in the past, purchased a similar product from another company. Their prices had risen drastically lately...so I was shopping around, when I came across the deal Naztec had on SmartPoll Booths,

seemed to be similar to the higher priced booths (double in price). So, I purchased 10 of these booths. The service I received was remarkable, prompt and with no surprises.

I received the 10 SmartPoll Booths, in days, as promised. I examined the booths and they are the exact quality as the higher price booths. I am very pleased with my purchasing experience with Naztec International Group and Sal Pazhoor. I plan to purchase more SmartPoll Booths in a couple of months, after my next budget is approved.

I would recommend this company and sales person to anyone interested in this type of product. Feel free to call me if you have questions.

Sincerely,

Diane M. Olmer
Platte County Election Commissioner
