

POLL WORKERS & VOTERS PREFER SMARTPOLL™ ADA COMPLIANT VOTING BOOTHS

MODEL NO: SMTB B1 – ADA

DESIGN FEATURES:

NAZTEC SMARTPOLL™ portable voting booths are perfect for today's demanding voting conditions. Our voting booths are compact, lightweight and durable design. Aluminum legs quickly and easily fits into the underside of the abs plastic table. Ideal for a poll worker to assemble in shortest duration. Our design is engineered to provide high durability and one of the sturdiest in the industry!

Our innovative ADA complaint voting booths are easy to assemble. We have both aluminum and plastic type space extenders to convert our standard voting booth into ADA complaint voting booth. Our booth can be assembled in less than a minute. Accessible easily by a wheel chair.
